- Pray for others who have been hospitalized and/or have had surgeries in the past few months.

Spiritual Needs: Please pray for the salvation of those who have not yet accepted Christ as their Savior and for the Christians to be all in for God.

Relational, family, emotional, and financial Needs: Pray for those who are struggling with any of these needs at this time.

Pastors and families: Pastor Wayne & Carol Hennen as they transition into retirement; Pastor Connie (Associate Minister of Discipleship) & Dana Young

The Church in Transition:

Be in special, daily prayer for the Church Board as they work with our District Superintendent, Rev. Dan Eddings, in determining what we are looking for in our next Pastor and then working with resumes, interviews, etc to be able to select the best possible candidate to present to the church membership for a vote.

Pray for your new pastor and family (if applicable), that God will be preparing their hearts for their transition and move to the Albion Church.

Pray for the whole congregation, that we will pull together in fulfilling our church mission in the days ahead. Pray that we will each do the area(s) of ministry that God has called us to with all of our hearts!

Pray for Randy Hites, Church Board Secretary, as he prepares for and conducts our Board meetings.

All Ministries of the church: Missions, Sunday School, Children & Youth Ministries, and all of the various ministries that God has given us to be a part of.

Ministries that we are a part of: Pittsburgh District, Eastern Nazarene College, the mission of the Church of the Nazarene around the world, LOVE INC, Northwestern Youth Center, Northwestern Food Pantry, Awakening for teens

Bible Studies: all Sunday School classes, Women's Bible Study (Mondays), Men's Bible Study (Tuesdays), all other discipleship groups.

Worship Services: that they may be well attended, Spirit led and Spirit filled, transformational in the lives of the congregation

Faith Promise Pledges: We have pledged \$8708 toward our annual goal of \$12,000. We are going for as close to 100% participation in our mission giving as we are able to get. Pray that more pledges come in that will put us over our goal!
